President's Corner

By Pat Norris

With the new calendar year, and the cool weather, the number of events we have coming up is really exciting. Not only are we getting together more - safely, of course - but the weather here in Southern Arizona is very hospitable to getting out and doing things. Like driving our Porsches!

We've already had a good number of events, and there are more to choose from in the coming months. If you review the calendar, you can find events that will encourage you to clean your car, events that will get you out to try some of our back roads, and even some just plain social events.

One event that I am really looking forward to is the German Cars and Coffee. Kurt Fuerstenau had been planning this event originally with the other local German car clubs back in 2020 when it had to be canceled. This has taken a lot of planning, and I hope to see many of our club members come out to support this first-of-its-kind-in-Tucson event.

So, take a look at the calendar, pick an event, and enjoy your club! I hope to see many of you at events in the coming months.

Editor's Column

By Debi Norris

Happy Valentine's Day! I hope this month you get a chance to take your Valentine out for a ride in your Porsche!

This is the time of year I truly love living in Southern Arizona. The chilly mornings make way to warm, sunny afternoons. The mountains stand out in stark relief against a bright blue sky. The stars at night twinkle brightly in the clear air, especially when you get out of town. Sure beats the snow, ice and cold my family in the Northeast has to deal with!

Because this is such a nice time of year, we have lots of activities planned in the next few months. It is so nice to see our calendar filled. Definitely a far difference from a year ago! Let's hope this trend continues.

Now that we are all getting out a bit more and enjoying our cars, I would love to get some more articles for our Newsletter. If you take a nice drive somewhen or have a great adventure with your car, please share it with your Porsche friends. We would love to hear about it. Don't worry if you are not a real "Writer!" After all, I am not a real "Editor." We are all volunteers around here and just do it for the fun and to keep our club interesting.

Have a great month and hope to see you at an event!

2021 Zone 8 Enthusiast of the Year Award Winner - Jim Kendler

Southern Arizona Region's very own Jim Kendler was the recipient of the 2021 Zone 8 Enthusiast of the Year Award. The award was presented at the Zone 8 Award Banquet on January 15th.

Congratulations, Jim!

Here is a copy of the award-winning entry:

Submission for Enthusiast of the Year

Candidate: James (Jim) Kendler

Member since 2006, all with Southern Arizona Region (SAR)

Past President

Currently:

Board Member At-Large

Chairman for DE events

Instructor & driver

Concours judge & participant

Volunteer at many events, including other regions' events (California Festival of Speed in the past)

Jim has attended both Parades & Treffens - most recently the Scottsdale event.

There are not a lot of photos of Jim, as he is usually behind the camera taking photographs for the newsletter and website. Jim also helps take care of the driving event equipment and trailer.

Jim is so familiar at other region events that some folks thought he was one of their members. Yet, he still attends nearly every event and gathering in SAR. This has been a huge support of the effort by the SAR president to get more SAR members to travel and experience events with other regions - not an easy task in recent years, but Jim has excelled.

Beyond everything else, Jim is a key contact point for both the newer and long-standing members. The continuity is of great value for SAR and promotes the wellbeing of our members.

You may notice some dates prior to January. The monthly report I receive is from the last business day of the previous month. I also include new members from e-mails I receive from national up to the date I write the Willkommen.

If you know of anyone in the club not receiving the newsletter, ask them to check their profile settings in their National PCA account. If they need help, they can send me an e-mail. I'll assist them in getting the information corrected. Some people not getting the announcements and newsletter because they have opted out of regional emails, or they no longer use the email listed in their national account. I use the national database to send out notices for the club.

Here is how to access your profile:

Log into PCA.org, look under your Profile and check which email is listed. If it is no longer correct, change it and don't forget to save. If the e-mail is correct, then check your email options. I had two people last month that opted out of Regional Messages. If you opt out, you won't get our emails!

Here's how to check:

Log into PCA.org and select Manage My Communications. That will be under the yellow bar of "edit my profile," the third option. Once in there uncheck Regional Communications (PCA- SAR).

I would like to remind you, the only login on our website is the newsletter login which we mail out each month. There is **NO** members-only login for individuals. Your National PCA login will not work on the pcasar.org website.

I can be reached at membership@pcasar.org. I will try to assist you in accomplishing your membership needs.

I hope to see you in the near future. In the meantime, please stay safe and healthy. Have a happy & healthy new year.

PORSCHE CLUB OF AMERICA

Porsche Club of America - Southern Arizona Region Adopt-A-Roadway Event - Spring 2022

Mark your calendars for Saturday morning, April 2, because it's time for our club's semi-annual Community Service event. For many years our club has been committed to the Adopt-A-Roadway program as a very effective means of demonstrating our continued support to our community. The Adopt-A-Roadway program is part of the nationwide effort of sponsorship designed to help beautify our roadways by facilitating trash removal and saving the taxpayers of Pima County approximately \$250 per mile cleaned which translates into thousands of dollars saved. Signage along our portion of Orange Grove Road clearly recognizes PCA SAR's sponsorship.

This is a fun and not too strenuous task that will take about two hours of your time and will make you feel good about your participation in helping clean up our community. We would certainly appreciate lots of volunteers for this civic-oriented event. I highly recommend the Adopt-A-Roadway program as a fine community service event, not too labor intensive, and another perfect opportunity to get together with friends and our special cars.

The temperature should be perfect for our outdoor activity. We will meet at 7:30 AM at Beyond Bread on the southeast corner of Ina Road and Oracle Road for coffee and pastries provided by the club before the cleanup. Arizona Department of Transportation requires that we wear hard-soled, closed-toe shoes (no sandals) and comfortable clothing. Gloves and hats are recommended. Cold water, safety vests, bags and grabbers for the cleanup will be provided. I hope to see you there!

Lon Reeder, PCA SAR Community Service Chair
