President's Corner

By Pat Norris

The next couple of months are so busy! How busy are they? Well, it's taking both Debi and I working together to keep track of what is going on, when it's happening, and where!

There are great events to take your Porsche out for a drive, events to show off how nice and clean your car is, and events to learn how fantastic our cars handle on the racetrack. All coming up soon, and all within easy reach of Southern Arizona. That's not even including all the events in other nearby regions!

We've had some very successful events, all with the help of our incredible cast of volunteers. Without the volunteers, we would not be able to hold any of these events.

And now, looking forward, we are beginning to plan even more events. We are looking at new ways to get more folks involved (if you have any ideas, please reach out to myself, or any of the board members or chairpeople) and new ways to do old favorite events.

If you are interested in helping, even just a little, with an upcoming event, now is the time to jump in! We are already looking at what is going to be needed for a successful Return to Cinco event. And we are looking at ways to make driving events more attractive.

Like I said last month, take a look at the calendar, pick an event, and enjoy your club! I hope to see many of you at many events in the coming months.

Happy St. Patrick's Day

Editor's Column

By Debi Norris

Well, I have an apology to make... This month's ZN is very late getting out and it is all because I forgot what a short month February was! There I was, having a great time enjoying Rodeo Break up in Phoenix when I looked at the calendar and realized March was just around the corner – and I hadn't even started the ZN yet! Well, hopefully your editor will pay closer attention to the calendar in the future and this thing will get out in a timely fashion!

One of the reasons it took a bit to get this issue done was it is so full of content! We have a bunch of events to report on and even more events coming up in the future to promote. So many events that had been cancelled in the last few years are back – the Tubac (now Sahuarita) Car Show and the DM 50 both have made comebacks this year. We are also in the planning stages for a Cinco Tour and Luncheon with a full-blown Cinco Event in 2023 (anyone want to be Chairperson?). Wow, it sure is nice to be getting out and doing things again!

Spring is upon us and the weather this time of year couldn't be better. We all know the heat of summer will be here before we know it so let's enjoy it while we can. I hope to see you soon at a future event!

German Cars and Coffee Event

Article and Photos by Kurt Fuerstenau

On the morning of February 12th, German car club members gathered at the Beyond Bread at Oracle and Ina for over two hours of great cars, pastry and coffee. Porsche, Mercedes, Volkswagen, and BMW were represented, and displayed in every color and many models. Great stories were swapped, adventures shared, and new friends made. Plans were made to do this again in the spring.

New Name, New Location, Same Great Event

By Anthony Milazzo

Over the past 2 years, we've seen dramatic change in almost every aspect of life. Our passion for cars and all things Porsche has been no exception to this. Though we made the best of a difficult situation with monthly Zoom meetings and the occasional small, socially distanced event, it hasn't been the same. 2021 saw the cancellation of the long-held and anticipated Tubac Classic car show. For many years, this single event has been a great representation of just how strong and eclectic the southern Arizona car culture is. For 2022, the return of the 27th Annual Sahuarita Classics Car Show came with a new name and a new location. On January 29, 2022, the PCA-SAR set off with a caravan of freshly detailed Porsches ranging from a 356 to a rare and seldom seen 959. When we arrived at the Quail Creek Veterans Municipal Park, we were joined by hundreds of other

automotive enthusiasts with cars representing everything from one-off custom builds to a 1966 Porsche 911 that recently completed a frame off restoration.

The event was held on two conjoined soccer fields showcasing 18 different automotive classes. Although I am biased, it seemed the Porsche class was the most well-represented marquee with just shy of 20 cars. Our class featured nearly every generation of 911; a 356, 912,

multiple Caymans, Boxsters, a Panamera, Cayenne SUV and even Porsche's first super car, the 959. With such a rare and incredible car like a 959 in our midst, the running joke amongst participants was that the real competition was for second place. With that in mind, it came as a complete shock that my '98 Vesuvio Metallic 993 Carrera S was awarded "best of class."

Warm weather, great food, beautiful cars and great friends - I believe it was the perfect start to 2022 and hopefully a step towards the normalcy that we've all been yearning for. The return of the Sahuarita Classic Car Show at its new venue was a great success and I look forward to an even better showing next year.

Join the PCA-SAR Escape to Douglas and the John Slaughter Ranch April 9th and 10th

The tour is limited to 20 Porsches & 20 Hotel rooms. You can bring as many people that will fit into your hotel room and Porsche. Also, you can drive a non-Porsche if you prefer.

Details about meals, activities, and tour departure time/location will be emailed to registered participants.

The start will be at the Roadrunner Market - 16121 S. Houghton Rd. Vail AZ, on April 9, 2022. Gas is available at the market. The drive will be about three hours, leaving at 9:00a.m. with a drivers' meeting at 8:30a.m. By now, all should have a reservation at the Best Western in Douglas. We will have a picnic lunch (you must pack/bring), tour the museum, and the wildlife refuge.

A group reservation for dinner, and breakfast is included at the hotel.

Please make your hotel registration at the Best Western. All SAR rooms are kings, with a discounted rate of \$117.00. This includes breakfast. When registering please ask for the Porsche SAR rate for this date. The hotel phone number is 520-364-5000.

Tour Leader is Kurt Fuerstenau. Email address: kdfuerstenau@yahoo.com

Come Join Us for Breakfast

PREP & PASTRY

Our monthly breakfast get-togethers are becoming quite popular! There are two opportunities this month. **First, our usual Saturday breakfast has a new location.** Come on out to Pastiche at 3025 N. Campbell on March 19th at 8:00a.m. Then, just a few days later on Wednesday, there's another breakfast just down the road at Prep & Pastry. This is also a new location at 2660 N. Campbell. There's a reason "It's not just the cars, it's the people" has been a PCA slogan for years – it's true! Our Club Breakfasts are the perfect way to get to know some great Porsche People. Hope to see you there!

Concours in the Hills

Motivated by his Porsche Class win at the Sahuarita Classic Car Show, Anthony Milazzo decided to attend the Eighth Annual Concours in the Hills held on Feb. 12th, 2022. It was held in Fountain Hills, which is possibly the most spectacular setting for a car show in the Phoenix Valley. This non-judged show is a relaxed and fun event designed to allow enthusiasts to display their own vehicles and admire others. It welcomes all cars - including domestic, classic, exotic, and imported. It is a charity event supporting the Phoenix Children's Hospital that draws over 1000 vehicles and about 30,000 spectators.

Anthony said that his Vesuvio Metallic 993 looked great and got a lot of attention. While there, he met an SAR member and retired physician who had a friend who also had a Vesuvio 993 when it was new, so he knew all about the car. Anthony reported the following: *"I spent most of the day walking about looking at cars, but he sat in the shade behind my car. He told me that he was constantly asked about the car and that he was lucky he knew everything about them since his friend used to own one. Tons of air-cooled cars were in attendance. Also had a Carrera GT in the Porsche class. The event was massive! Great location and had everything from helicopters to a McLaren F1. I will definitely be attending the event again next year."*

A speed and experience level for everyone: There will be several different "run groups" which will be separated by experience/skill level: Novice, Intermediate, Experienced and Advanced. There is a run group for everyone- so don't hesitate to sign up if you have little to no experience on the track.

To ensure everyone registered has a good time at the track, the number of cars in each run group is limited. Sign up early to avoid being waitlisted!

PCA Instructor School training on Friday: If you are currently instructing for the PCA and are looking to get your PCA National Instructor's card, this training is for you.

HPDE on Saturday: The full course (Configuration 1) will be run on Saturday as a HPDE only. You'll get four 25-minute sessions of track time.

HPDE on Sunday: The full course (Configuration 2 Counter-Clockwise) will be run on Sunday as a HPDE only. You'll get four 25-minute sessions of track time.

Instructors are free! If this will be your first time attending a track day with AZ PCA or if you have not yet been approved to drive solo, you will be provided an instructor to ride along with you as well as classroom instruction to make the most of your day. Even if it is not your first time or if you have never driven at Inde Motorsports Ranch before, AZ PCA can accommodate (and encourages) an instructor to hone your driving skills (lead/follow instruction is available). There is a \$10 rental fee for the bluetooth communicator that's necessary.

Wanna just hang out and lend a hand? We are always looking for folks to help us run these events. If you'd like to volunteer to help us, we'd love that! There is a registration option for volunteering and you can pick from several different roles of participation.

Registration fees:

- \$400 Full track weekend for Solo groups Saturday and Sunday
- \$315 One day (either Saturday or Sunday)
- \$100 PCA Instructor school on Friday (must also be combined with one other choice above)

Not a PCA member yet? Don't own a Porsche? That's okay- non PCA members are still welcome to participate or volunteer!

Join us on a PCA SAR 4- day 3-night Tour to Winslow, Arizona.

We plan to leave Tucson on Thursday, May 26th, and return on Sunday, May 29th. To make this happen we need at least 5 cars to participate. We will stay at Mary Elizabeth Jan Colter's Southwest masterpiece, the La Posada Hotel (The Resting Place) - Fred Harvey's last great Railway Hotel. Room rates are \$144 - \$184. PCA-SAR has reserved a block of 10 rooms. Cancellation policy: more than 7 days - full refund. Less than 7 days - refund if room is rented.

First – Call La Posada Hotel and book your room of choice - 928-289-4366 (Group Code – PCASAR)

Please be advised La Posada is a Railroad Hotel, if you would like to stay in a room that is away from the railroad, please give the hotel a call as soon as possible. They also do not have an elevator. If you require a ground floor room, please notify the reservation desk at 928-289-4366.

Second - After making your individual reservations please register on motorsportreg.com to get final details and departure location and time.

Registration ends 04/08/22

So, if you are interested, register and we will work out the details together. For questions contact your Tour Leader Ed Koharik - boardmember4@pcasar.org

Porsche Club of America - Southern Arizona Region Adopt-A-Roadway Event - Spring 2022

Mark your calendars for Saturday morning, April 2, because it's time for our club's semi-annual Community Service event. For many years our club has been committed to the Adopt-A-Roadway program as a very effective means of demonstrating our continued support to our community. The Adopt-A-Roadway program is part of the nationwide effort of sponsorship designed to help beautify our roadways by facilitating trash removal and saving the taxpayers of Pima County approximately \$250 per mile cleaned which translates into thousands of dollars saved. Signage along our portion of Orange Grove Road clearly recognizes PCA SAR's sponsorship.

This is a fun and not too strenuous task that will take about two hours of your time and will make you feel good about your participation in helping clean up our community. We would certainly appreciate lots of volunteers for this civic-oriented event. I highly recommend the Adopt-A-Roadway program as a fine community service event, not too labor intensive, and another perfect opportunity to get together with friends and our special cars.

The temperature should be perfect for our outdoor activity. We will meet at 7:30 AM at Beyond Bread on the southeast corner of Ina Road and Oracle Road for coffee and pastries provided by the club before the cleanup. Arizona Department of Transportation requires that we wear hard-soled, closed-toe shoes (no sandals) and comfortable clothing. Gloves and hats are recommended. Cold water, safety vests, bags and grabbers for the cleanup will be provided. I hope to see you there!

Lon Reeder, PCA-SAR Community Service Chair

Grand Canyon Railway Tour September 1st-4th

Last year we had a blast going to the Grand Canyon. Unfortunately, due to COVID many people were unable to participate. Join us again this year on another PCA-SAR Tour to the Grand Canyon. We will leave Tucson on Thursday, September 1st and drive to Williams where we will stay overnight at the Grand Canyon Railway Hotel. The following morning, we board the train for our trip to the Grand Canyon. We return to Williams on September 3rd and depart for home on September 4th.

Dinner (El Tovar) on September 2nd and breakfast and lunch on September 3rd are on your own. Other meals are included in the package as shown below. The dome car has snacks on the way up as does the parlor car on the return. Cost is approximately \$1,600 for a couple for the three nights depending on AAA discount and National Park Pass. The train going up on Friday is pulled by a diesel electric engine but the train on the return Saturday hopefully will be pulled by a steam engine. Space is very limited, and Steam Saturday always has a big draw.

Space is very limited on the Luxury Dome Car and at the El Tovar Hotel, so if you are interested, do not delay in booking. Their cancellation policy is very good (a least 3 days prior to departure date) so don't worry if something happens and you must cancel. If El Tovar is not available, an alternate hotel would be Kachina Lodge.

Registration ends on March 31, 2022, 11:59 PM MST.
