## President's Corner

By Pat Norris

Happy New Year! Wow what a year it is shaping up to be!

Tours! Track Days! And Socials!

The last year was one of the busiest we've had here in Southern Arizona Region, and there is so much more to do during the coming year. The new year is already filling up with events. There are tours (some already sold out!) on the calendar, track days, social dinners, breakfasts, and lunches already filling up the calendar. Check the calendar here in the ZN, and on our website, and you can find some great events coming up.

### Cinco Returns!

The Cinco committee is working hard and has plans already taking shape for the return of Cinco. It's a great time to start planning to attend. Showing your Porsche is a little more involved than a cars-and-coffee event, but from my experience, we have great judges that are supportive and encouraging, making Cinco a great way to get your start in showing your Porsche. There's still a lot to do. Dave and Debi (our Cinco Co-Chairs) could still use your help, so if you have some time and ideas, reach out to the Cinco team and you'll have a great time helping with the event.

### Porsche Parade in Zone 8!

If you have been to a Parade, you already know why the excitement is building. Parade is a full week of Porsche events and this year, it's within a day's drive! There are dinners, tech sessions, an autocross, a tech quiz, a TSD rally, tours, and many, many other events. If you got the bug showing your Porsche at the Cinco Concours, the Parade will be another opportunity, at a whole other level. If you did our Car Control Clinic, you've got the basics down to try the autocross. If you've enjoyed our tours, you have more opportunities to see some new roads. There is more than you can possibly do in a week. Watch for the sign ups, it's going to be a popular event with so many PCA members in Zone 8.

Sounds busy, doesn't it? And that's just getting us to the middle of the year! This year is going to keep all of our volunteers busy. Thank you to all of our volunteers - last year was amazing, and we're all excited about the year ahead!

## Editor's Column

By Debi Norris

Happy New Year!

I know I keep saying this, but is it really 2023? That just doesn't seem possible.

I just wrapped up my 5<sup>th</sup> of year being editor of the *Zuffenhausen News*. That also does not seem possible. I hope you enjoy this newsletter. I started as a complete novice at doing an electronic newsletter and as the years have gone on, I have learned more about how to put this thing together. I have especially enjoyed finding new ways to display photos. I hope you enjoy the photo collage from the Holiday Party. It was a lot of fun to put together.

As we look ahead to 2023, I am getting very excited, and nervous, about the return of the Cinco de Mayo Concours d'Elegance. Dave Shryock and I are co-committee chairs and have been busy starting to organize the event. We have a welcome party (at the Porsche Dealership), Concours location (the Tucson Country Club), a host hotel (the Sheraton on Grant), and a logo. But we still need YOUR help. We will be having a virtual Cinco Committee meeting on Wednesday, January 11<sup>th</sup> to do some more planning. You are welcome to attend and see how you can help make this the best Cinco event ever! Email me at: [newsletter@pcasar.org](mailto:newsletter@pcasar.org) and I can send you a link to the virtual meeting.

Let's make this a great 2023!

# PCA-SAR 2022 Holiday Party and Annual Meeting

By Barb Crowley - Lifetime Member

*A large crowd turned out to enjoy the Holiday Party!*

SAR members were ready to party! We hadn't had that large a turnout for any event since 2019. Sixty-five of us decided it was time to let our hair down and socialize as we celebrated the holiday season with old and new friends alike.

Our venue was beautiful. Thanks to Ron and Patsy Sable for sponsoring the PCA- Southern Arizona Region at La Paloma Country Club. This year's banquet room was the Santa Catalina Room with soaring floor to ceiling windows overlooking the beautiful Catalinas. It was planned that as members arrived, we'd be viewing one of our glorious Tucson sunsets. As luck would have it, it rained most of the day and we couldn't even see the mountains. That didn't dampen our spirits though.

After everyone had drinks and appetizers and mingled during the Happy Hour, we sat down to enjoy a wonderful meal. The food was very tasty ... nothing was left on any plates! There were lively conversations at each table as we watched the slide presentation prepared by Debi Norris recapping all the SAR

events in 2022. Thanks Debi. We finished off the meal with a scrumptious dessert ... a chocolate torte with caramel ice cream and bourbon-infused berries with a chocolate drizzle. Mmmmm.

SAR President Pat Norris was the emcee. During the party he announced that Kurt Fuerstenau was the winner of the prestigious President's Cup for 2022. Kurt has organized many SAR tours and his efforts were recognized. John Herold had an Honorable Mention for his contributions to the club in 2022.

What's a holiday party without some gifts? We had an abundant supply thanks to the generosity of our sponsors and SAR. Pat Shryock and Darlene Fouts were our "Vanna Whites" this year. Thanks for taking the gifts to the winners. Dennis Crowley did a great job announcing the winning tickets too. Be sure to thank these sponsors for their support when you do business with them.

## 2022 Door Prize Sponsors

Porsche Tucson  
Autohaus Tucson

The votes for the 2023 officers were tallied and Kathleen Kendler read the results. These officers were installed at the party. Thank you as always for serving on the board to make SAR such a special club. Many thanks also go to Jim and Kathleen Kendler for handling the registration for this and all of our PCA-SAR events.

The party was a great way to end 2022 ... with our many SAR friends. See you in 2023!

*We were all glad to see long-time PCA-SAR members Larry and Rita Dennis attend the Holiday Party.*

*Pat Norris presented the President's Cup to Kurt Fuerstenau*

# Special Recognition

At the Holiday party, the Kendlers were surprised to receive a sign that at SAR's 2023 Cinco de Mayo will be 35 years old. Rink and Pati Reinking were prominent SAR members who helped make the club what it is today. Here's the back story about the sign:

**Presented to Jim and Kathleen Kendler  
Dec. 4, 2022**

**This sign was a gift that was given to all the concours judges at SAR's 1988 Cinco de Mayo. One of those judges was Rink Reinking.**

**This "PORSCHE JUDGE PARKING ONLY" sign hung prominently in Rink's garage for decades watching over his beloved 356.**

**It is only fitting that because you now own that 356 and that you volunteer to be concours judges throughout Zone 8, that you should be the new owners of this sign.**

**Enjoy it in good health.**

Enjoy more Holiday Party photos on the next two pages.

# Wait! My Car Can Do What?!?! - PCA-SAR Car Control Clinic

By Debi Norris - Photos by Jim Kandler

PCA-SAR Driving Instructors put together a special event on December 11<sup>th</sup>. They offered a Car Control Clinic to help members learn to drive their cars in a safe, yet exciting, manner. Quite a few members took advantage of this great opportunity and spent the day learning all kinds of new things about their Porsches. I was excited to be one of them.

*Crystal, Kymmie and Debi - the 3 lady participants of the event!*

The day started with a series of exercises. For my group, our first experience was the slalom course. A group of cones were lined up and we had to snake our way through them, then follow along to a few corners of the Musselman track. Emphasis was not on speed, but rather on control and smoothness. As I got more comfortable with the course, my speed increased. Soon I was weaving my way through the course and feeling my Boxster get closer and closer to the "edge." It was a lot of fun.

Next up was the Skid Pad. This was a set of 2 circles, one large and one smaller. One at a time we started on the larger circle. We drove round and round the circle, setting the steering wheel at one spot and learning how to use the throttle to narrow or widen the radius of the turn. We then moved over to the smaller circle, necessitating more attention to keep the car in line with the cones. After a while, we made a figure 8, alternating between the larger and smaller circles and adapting to the different size radius. As in the Slalom exercise, the emphasis was on control and smoothness, but as my confidence increased, so did my speed. By the end of my sessions of going around and around and around, I felt more confident. But I also felt a little dizzy!

Our last session was the Braking exercise. Heading down the main straight on the track, we gained speed and then hit the brakes as hard as we could. It was a chance to safely feel how the anti-lock system actually works. Hitting the brakes that hard caused a shudder in the brake pedal as the anti-lock system kicked in. It was good to experience that strange pedal feeling in the safe environment of the Car Control Clinic rather than out on the highway! We practiced that a few times, then moved on to trying to brake safely while heading into a turn, trying to avoid activating the anti-lock system.

Finally, it was time for a lunch break and a chance to socialize and compare experiences. After lunch, the full track was opened, and we had a chance to put our lessons to the test. We had many opportunities to make laps around the track and push our cars to the limits. As always, emphasis was on safety, but it was fun to see how my speed through the turns improved as the afternoon went on.

Many thanks go to Jim Kandler, and the rest of the PCA-SAR Driving Instructors, for putting on such an informative, yet fun, event. I know I learned an incredible amount about my car that day and I feel more confident driving it, knowing I can not only take full advantage of fun roads, but also do it safely. There has been discussion of making this an annual event and I hope it becomes one. The next time it is offered, I urge everyone to take advantage of the opportunity to really find out what your Porsche can do!

Hey everyone! Did you see our Cayenne on the front of the December 2022 issue of the ZN? I was surprised. Porsche Stuff For Sale or Wanted

### For Sale:

Need an extra set of wheels for winter tires, track tires, or just would like another set? I have a set of 4 *Victor Equipment* 20" wheels: two 20" x 8.5" (1800 lb/815 kg) and two 20" x 11" (1500 lb/680 kg). All four wheels are in good physical condition with some minor chips but no damage or scuffing of the rims. I believe they were previously used on a Porsche 997/911. I am asking \$250 for the entire set. Need to clear out some space in the garage. Call me at 520-730-3367 for more info or to arrange a time to see/purchase (?). Thanks, Jerry Fouts

# In Memoriam

## Willard (Bill) Wilson (June 9, 1942 - October 22, 2022)

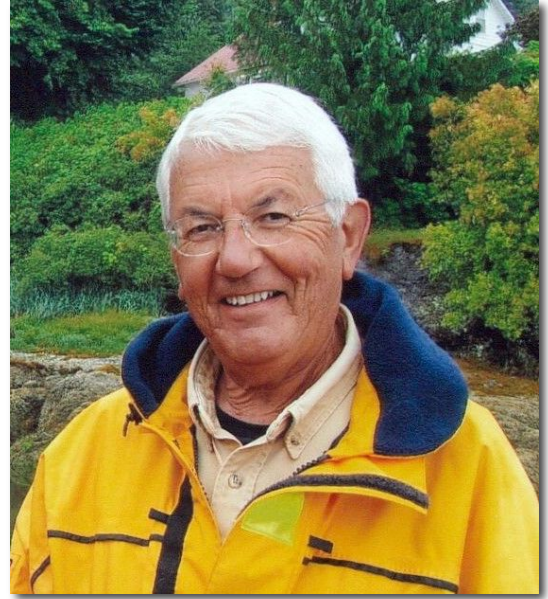

It is with great sadness that I inform the membership of the unexpected death of Bill Wilson. I met Bill and Kathy in June 2021 at our first breakfast after Covid isolation. He and Kathy actively participated in events until May of 2022 when for health reason they had to cancel on a trip to Winslow. Bill had been getting stronger and was believed to have recovered. Unfortunately, he passed in October while traveling to his elk hunting location near Wallowa Lake, Oregon.

Bill was a retired pharmacist who loved photography, navigation, boating, and cars. I found both he and Kathy engaging and delightful in the many conversations we had while sharing a meal and doing events together. I will miss talking with him but am heartened to know Kathy will be trying to join us for some of upcoming meetings.

For those of you knowing the Willards better than I, reach out and let Kathy know you're there for her.

Respectfully,

Kathleen Kendler
