## President's Corner

By Pat Norris

Is your calendar full yet? Need more Porsche events to fill up your spare moments? Well, you've come to the right place! Last year was the most active the Southern Arizona Region has been in a long, long time - possibly ever. And, if you check the calendar, you'll see that we're starting off to top that.

### Soon and Local

There's a DE at Arroyo Seco at the end of this month (a friendly track, with SAR as host) that's a great next-step if you want to move on from the December Car Control Clinic, or are looking to make the move up from autocross. There's a fascinating tour coming up in the beginning of March

that our Tour Director has planned to the St. Anthony's Monastery (I always learn something new on these tours). Also, in March, there's a tech session (even more to learn)! And, of course, there's a full slate of social events.

### Parade in Zone 8

I know I've been talking about Parade for a long time now; it's one of my favorite PCA events. As of this writing, registration is still open for signups. I don't know about the hotel situation, but if you are at all interested in going, there is a sizable group starting to form from SAR.

### Cinco is Almost Here!

The Cinco committee has been working hard but can still use help to make it a successful event. As with everything else in PCA, it's the volunteers that make it all work. Cinco needs more. There are many jobs anyone can help with - from helping get the cars placed the morning of the concours, to helping with scoring the results, to passing out water to participants, and so much more. If you would like to get involved - even just a little bit (that's great!) - please contact the Cinco volunteer coordinator, Steve Leonard, at [srl.photoguy@gmail.com](mailto:srl.photoguy@gmail.com).

### Shameless Cinco Plug

There has been an interesting side discussion on what might be a good car to show at. We've all seen the incredible vehicles that show up to a concours - and personally, my cars have never been that clean ... ever. But, the rules used for our concours has a classification for Current Competition Vehicles; yep, race cars! I've been asked about bringing out my track car, just to have something out there that is a perfect example, not of paint and cleanliness, but of a Porsche being used as it's meant to be - driven! I am going to bring my race car. Even if I don't get all the rubber and dirt off beforehand. I'd love to see a bunch of other 'competition vehicles' come out and join me. And if you've got something else Porsche you would like to consider showing, I'm sure the Cinco folks would love to talk with you.

Yep, now we're starting to sound busy.

Finally, we've had a lot of new members out to join us lately - Welcome! Hopefully you can find something of interest and join us again soon - or for the first time.

## Editor's Column

By Debi Norris

Cinco is coming!

Right now, May seems a long way off. The weather has been chilly – I even got an ice warning one morning as I drove into town! But we Southern Arizonans know that warm weather is just around the corner. And with that warmer weather comes our biggest event of the year – Cinco!

Cinco 2012 was actually the very first PCA-SAR event Pat and I attended. We were still living in San Diego but Pat had gotten a job offer in Tucson so we knew we were going to move. We decided to drive out for the weekend and try the Concours. The warm welcome we received by the SAR folks told us moving to Tucson wasn't going to be so bad.

Sure enough, fast-forward 11 years and here I am, co-chairing the 2023 Cinco event with Dave Shryock! Although we have not been able to host a Cinco since 2019, the committee is working hard to make this a successful event. Final details are still being made but we have several events already planned to include a Golf Tournament, Welcome Party, the main event Concours, an Awards Dinner and a Tour. It is going to be a busy four days! Keep an eye on your emails along with future ZNs to keep up with the latest details!

Of course, Cinco is not the only thing happening in SAR! There are several driving events and tours, our usual dinner and breakfast outings and even a couple of overnight trips to keep us busy. I love how busy the Club is these days to make up for all the lost time during COVID.

If you have never attended a Club event, check out the calendar and come on out. I know you will receive the same warm welcome Pat and I received back in 2012. I hope to see you soon!

## Tour to St. Anthony's Greek Monastery Saturday, March 4

St. Anthony's Greek Monastery is located south of Florence, AZ, on almost 800 acres of lush gardens, with citrus and olive groves. Founded in 1995 by Gerunda Ephraim after he purchased the desert scrubland to establish a monastery. The nine chapels, main church, refectory, and living quarters have been built into the largest Greek Orthodox monastery in the Western Hemisphere.

***There is a dress code. For men, it requires long pants, socks, and a long sleeve shirt. For women, it requires long sleeve shirt, covering to the neck, long skirt, or a dress with socks. A scarf tied under the chin and covering the neck is also required.***

After our time at St. Anthony's we will drive north to Florence for lunch at Mt. Athos Restaurant and Cafe, where they serve Greek and American food.

This is an interesting drive, with an opportunity to experience another culture, and religion.

Visit their website at [stanhoneysmonastery.org](http://stanhoneysmonastery.org).

# JOIN US AT ONE OF THE BEST TRACKS AROUND FOR A WEEKEND OF FUN! March 25-26

Please join the Arizona Region at Inde Motorsports Ranch for another amazing Driver's Education event of the 2022/2023 season. Inde Motorsports Ranch is located in Willcox, AZ, and is a 2.75 mile, 21 turn road course, featuring 200' of natural elevation changes and plenty of runoff space.

**A speed and experience level for everyone:** There will be several different "run groups" which will be separated by experience/skill level: Novice, Intermediate, Experienced and Advanced. There is a run group for everyone- so don't hesitate to sign up if you have little to no experience on track.

To ensure everyone registered has a good time at the track, the amount of cars in each run group is limited. **Sign up early to avoid being wait-listed!**

**Instructors are free!** If this will be your first time attending a track day with AZ PCA or if you have not yet been approved to drive solo, you will be provided an instructor to ride along with you as well as classroom instruction to make the most of your day. Even if it is not your first time or if you have never driven at Inde Motorsports Ranch before, AZ PCA can accommodate (and encourages) an instructor to hone your driving skills (lead/follow instruction is available). There is a \$10 rental fee for the bluetooth communicator that's necessary. If you need a helmet, please indicate so during the online registration process.

Don't forget to bring a chair, water and sunscreen and plan accordingly for the weather. All DE events run rain or shine.

**Wanna just hang out and lend a hand?** We are always looking for folks to help us run these events. If you'd like to volunteer to help us, we'd love that! There is a registration option for volunteering and you can pick from several different roles of participation.

We hope to see you out there!

# Cinco 2023 Golf Tournament

As SAR returns with its annual Cinco festivities, so has the golf tournament. So, mark this date on your calendar, **Thursday, May 4, 2023**. This year's Cinco golf tournament will be held at the Forty Niners Country Club in southeast Tucson with a reverse shotgun starting about 9 am. Having the golf tournament on Thursday helps those attending the Welcome Party on Friday evening -- no need to rush home to clean up before the party. This course once hosted the PGA tour's Tucson Open in 1963 and 1964 and is said to be a fair test of golf for players of all calibers with its winding fairways and majestic mountain views that can surprise golfers at every turn.

As with our past tournaments we're doing an optional member-guest, thus inviting friends to join us in this fun day of golf. If you're bringing a guest (or two), register your guest(s) on [motorsportreg.com](http://motorsportreg.com) when you register yourself for this great fun-filled event. We will be playing a modified scramble. After the round, join your fellow Porsche golfers and guests at the Rincon Mountain Grill for drinks, lunch, snacks, etc. as well as prizes. Everyone will get to play the entire course, so bring that "A" game and come have some fun. Register on [motorsportreg.com](http://motorsportreg.com). Cost for the round which includes green fees, cart, range balls and prizes is yet to be determined. Your starting hole will be advised on the day of play. Please provide your handicap (and your guest's handicap) so that we can group the teams accordingly.

Any questions, please contact Greg Curtiss or Norma Nada at 520-797-7612 or email Norma at [sloporsche@aol.com](mailto:sloporsche@aol.com). Keep it in the short grass.

## Spring Adopt-a-Roadway

Hello, PCA-SAR members! I hope everyone is doing well and staying healthy.

The October 22, 2022 Adopt-A-Roadway event was a success and I'm looking for similar enthusiastic participation again for our Spring 2023 event. We will fulfill our community commitment with an Adopt-A-Roadway event on

**Saturday, March 18th**. For many years our club has been committed to the Adopt-A-Roadway program as a very effective means of demonstrating our

continued support to our community. The Adopt-A-Roadway program is part of the nationwide effort of sponsorship designed to help beautify our roadways by facilitating trash removal and saving the taxpayers of Pima County approximately \$250 per mile cleaned which translates into thousands of dollars saved. Signage along our portion of Orange Grove Road clearly recognizes PCA-SAR's sponsorship.

This is a fun and not too strenuous task that will take about two hours of your time and will make you feel good about your participation in helping clean up our community. Please note that while Pima County Health Department currently has no restrictions on public gatherings, if you are at higher risk for severe illness, or if you are sick or experiencing COVID-19 symptoms such as fever, cough or shortness of breath, stay home.

I expect great Tucson March weather. We will meet at 7:30 AM at Beyond Bread at the southeast corner of Ina Road and Oracle Road for pre-event coffee and pastry, some socializing, and signing waivers. ADOT requires that we wear hard-soled, closed-toe shoes (no sandals) and comfortable clothing. Gloves and hats are recommended. Water, safety vests, grabbers, and bags for the cleanup will be provided. I hope to see you there!

Lon Reeder -PCA SAR Community Service Chair

# Porsche Parade 101

By Norma Nada

Perhaps you read the Parade Preview article in the December 2022 issue of *Panorama* and are considering attending the 2023 Porsche Parade at Palm Springs, CA, but have some questions. Hopefully, this article will help a newbie negotiate their first Parade. *(Editor's note – Registration for the 2023 Parade opened on February 1<sup>st</sup>. Unlike Treffen, it usually does not sell-out quickly. So, if you have not registered yet, there is probably still time!)*

First, a few hints – (1) If possible, we have found staying at the host hotel is best for convenience to the various activities going on during Parade. Besides, it's a great way to meet other Parade goers from other regions and who knows may someday be on your list of best friends. (2) Pace yourself and try not to overload by doing too much during this one week. (3) Check the bulletin board generally found near the Hospitality Room for posted notices from other Parade goers. This board also posts results from the competitive events and any protests. This board is known as the "Communication" board among Parade goers. (4) Register for Phase 2 early. Don't delay, especially if you are interested in doing some of the many tours that Parade offers, as they can sell out quickly. (5) Take advantage of the Goodie Store pre-sales as many of those items may not be found at the Goodie Store during Parade. (6) Should you attend the Concours and/or Victory banquet, be sure to check the wine glass with your place setting. If the wine glass has the Parade logo etched on the glass, be sure to take it at the end of the evening as this is yours. This glass has generally been a part of the Victory banquet place setting, but it has occurred at the Concours banquet (at least once that I know of).

Something about the Competitive Events – There are 4 competitive events that occur at every Porsche Parade. There is the Concours (Monday), Time-Speed-Distance (TSD) Rally (Tuesday), Autocross (Wednesday and Thursday) and the Tech Quiz (Friday). FYI – the days mentioned in parenthesis have been the days generally held for these events but it may change, so please be

sure to check the Parade schedule for actual day. If you are interested in partaking in one or more of these events, be sure to read the Parade Competition Rules (PCRs) and be sure to classify your car accordingly. If unsure, try and find a knowledgeable Parade goer for some assistance – there's always someone in our region that can help.

Other features – (1) Parade Kids - there's a kids' program, so if you're considering taking any children, please do – they will have as much fun with other Porsche children as you will with the adult Parade goers. (2) Meals – you can purchase the "meal package" or a la carte your meals. The Concours (Tuesday) and Victory (Saturday) banquets are sit-down (with pre-assigned seating) meals while the Welcome Party, Rally and Autocross banquets are generally buffet style (first come seating). The local region working with the National staff tries to provide a list of local restaurants near the host hotel for anyone wanting to venture on their own for a meal or two. (3) Tours – heard that the tours are great fun. A great way to spend the day touring around the area seeing the many sites this city has to offer. As with many big events, the "best" tours do sell out fast. Get on a waitlist if you really want to do a particular tour. Sometimes National adds another tour due to popularity and availability with the tour company. (4) Remote Control Cars – if you enjoy playing with remote control

***Continued on next page***

## **Porsche Parade 101 continued**

cars, bring your “toy” and join in this competition. It’s like a mini track to remote around on. (5) ice cream social – this is generally after the Rally event (Tuesday afternoon). Your choice of ice cream and toppings and this is free. (6) Golf Scramble – a fun time to play with other Porsche golfers. You can just ask to be in any group or if you have a group of friends all doing this event, create your own group. National does try to handicap the group equally. If you like scrambles, this is a great way to play some golf. There are a good selection of name golf courses near this resort if you prefer to play a full round on your own time. (7) Art Show – if you have any artistic talent, you may want to share your talent (and be judged). Check this out if this is of interest to you by reading up on what it takes to submit your talent at the art show. The item(s) must be Porsche themed/related. (8) 5K Run/Walk – compete against your peers or just do this for the exercise. (9) Volunteer Workers – like many events, volunteers are vital to a successful event. It’s always a nice way to “get involved”. Don’t overload yourself with too many shifts (like in the same day). Be sure to get your volunteer card stamped at the end of each shift. That’s your entry to the volunteer lunch party on Saturday. Lots of door prizes are given out at this party. (10) Parade of Porsches – this is a fun event driving your Porsche through the city’s streets with police support for traffic control. Many town folks come out and watch the Porsches drive by. A nice way to show off your Porsche to the local folks. The volunteer party does not conflict with this event. Parade tries to have some activity for all attending.

And, before you know it, it’s time to check out and

another Porsche Parade week comes to a close. Time to head home and think, should we go to the next Parade??? 2024 will be held at Montgomery, Alabama. National does try to rotate its Parade locations around the lower 48 states and it did one in Canada a few years back, Mont Tremblant. Give it a try, you may enjoy it like we do. Look forward to seeing you at Palm Springs in June.

FYI – Sign up for Phase 1 (your car number and lodging) opened February 1<sup>st</sup> and sign up for Phase 2 (events, banquets, etc.) opens at noon ET on Wednesday, April 5<sup>th</sup>. Have your car number handy (you get this from Phase 1 registration) as well as your credit card for this phase. In case you’re wondering, your car number is how you’re identified by the National staff at this event, yes, you are “just a number.” Lol. Registration closes on Saturday, May 13<sup>th</sup> at 11:59 pm ET. Happy registering. If you have any questions before hand, feel free to contact a former Parade attendee, which SAR has many.

## **Redline Service Tour and Tech Session Saturday, March 11**

PCA-SAR has arranged for a tech session at Chuck Croteau's shop on March 11, 2023. Session starts at 10:00 am runs until noon. The club will provide coffee and pastries. The shop address is 3767 E. Hardy Dr. Tucson, AZ 85716. Chuck is an SAR member who restores, repairs, and sells Porsches. This will be a fun and informative event.

# Tour to Cottonwood, Arizona

by Ed Koharik

The Grand Canyon 2022 Tour was so much fun that we are planning another tour to Northern Arizona. Join us on a PCA-SAR 4-day, 3 night Tour to Clarksdale/Cottonwood, Arizona. We plan to leave Tucson Thursday, May 25<sup>th</sup>, and return on Sunday, May 28<sup>th</sup>. Our first stop will be Montezuma Castle National Monument. After exploring the castle and visitors center, we will continue on to Cottonwood. We will stay at the Tavern Hotel in Cottonwood. After settling in our rooms we will enjoy a welcome drink and dinner at The Tavern Grille Restaurant.

On Friday, we will explore the many things that Cottonwood and Jerome have to offer. We will start off the morning with a drive to Jerome. The drive from Cottonwood to Jerome is a bit challenging at times for the driver since there are several places on this windy road with switchbacks and there are no guardrails. No problem for us. After returning to Cottonwood, we will continue to explore the area. Dinner will be at Nic's Italian Steak & Crab House.

On Saturday we will explore the Clarksdale area. We will visit The Southwest Wine Center at Yavapai College. It is a premier wine industry and community resource, offering a comprehensive hands-on education from vineyard-to-bottle with programs in enology, viticulture and business/entrepreneurship through its estate vineyard, teaching winery, fully operational tasting room, and region-wide wine industry research epicenter.

We will proceed to the Verde Canyon Railroad Depot where we are able to enjoy a railtastic lunch prepared to your liking at the Copper Spike Café. The cafe has a varied menu of regional favorites, many prepared with locally grown and sourced ingredients. There is an entree to suit everyone's taste, from the light eater to one with a heartier appetite, from a carnivore to a vegan. Lunches may be enjoyed in the outdoor dining area or carried aboard the train. Also available are the John Bell Museum and the Boxcar Gift Store.

At 5:30 pm we will board the Verde Canyon Railroad for the "Grape Train Escape." While aboard the "Grape Train Escape," passengers will be served a sampling of select wines accompanied by individually packaged, freshly made snacks served at our table. The Grape Train Escape features exclusive first-class accommodations, lavishing passengers with luxurious style and attentive beverage service right to your seat. Adjoining open-air cars share the lush riparian scenery of summer: canopies of green Cottonwoods, moody monsoon afternoons and deep crimson cliffs. Spacious living room-style seating near panoramic windows highlights this scenic excursion.

To book your hotel room for the nights of May 25, 26 and 27 contact:

Tavern Hotel Reservations: 928.639.1669 or <https://thetavernhotel.com/>

A Continental Breakfast is included with the room at Crema.

So, if you are interested, register and we will work out the details (departure time & location) together. For questions contact Ed Koharik – [boardmember4@pcasar.org](mailto:boardmember4@pcasar.org)

Registration ends 3/24/23.

# The Sahuarita Classic Car Show

The Sahuarita Classic Car Show (formally Tubac Car Show) took place on Saturday, January 28. A large group of PCA-SAR members participated. The day started out chilly but warmed up in the afternoon and the display of cars was fantastic to see. Congratulations go to Roy Lopez and his 1963 356, and, Steve Crawford and his 2004 Turbo Cabriolet, for winning their respective classes.

## Zonefest at Sea by Adele Arakawa

Maybe you saw something about it in emails or the PCA website - **ZoneFest at Sea** - What was

THAT all about? 600 Porsche Club members from around the country and Canada on board a cruise ship, sailing to the Caribbean. Sound fun? Adventuresome? Different? **Yes!**

Princess Cruises, Zone 12, and the Everglades Region welcomed all of us aboard the Regal Princess for 8 days in mid-December.

The first two days were at sea. A good time to explore the ship, spend an afternoon in the spa, and see who else on board was a PCA member. Princess gave us all special lanyards that had the PCA logo and a Porsche Club placard, so it was easy to spot a fellow Porscheophile.

First stop: St. Maarten.

We made port on the Dutch side of the island (Philipsburg) and like many others, drove or rode up to the French side to visit places like Marigot (the French side Capitol) and some of the island's 37 beaches. We rented a Jeep and got a lesson in Caribbean driving (at least they drive on the correct side of the road!) where narrow two lane roads are the norm and motorcycles and mopeds zip around traffic, apparently using the center divider as a road guide.

St. Kitts was our second stop, where you could take a circle island tour on what can be best described as a double decker "plantation train." Informative, enjoyable, and scenic. We did not snorkel or dive, but these islands are renowned for

their crystal-clear turquoise waters.

Next to San Juan and a port display by the local PCA Puerto Rico chapter. "Wheels and Espresso," they called it, with a coffee tent and a few fine examples of Porsche automotive hardware.

The last stop was Grand Turk, where the Porsche Club group was given access to a private beach area with local live entertainment. There, as at each Caribbean Island, PCA members often scattered and "did their own thing" and then met later for the organized ZoneFest events.

One of the most notable of those events was the first "Concours at Sea," a collection of more than 100 diecast Porsche models, from a 901 (the precursor to the 911) to contemporary Porsches to race cars. The winner got a free cruise! The formal nights were a fun opportunity to play dress-up. Or wear your crystal embellished Porsche logo t-shirt.

***Continued on next page***

## ZoneFest Continued

The private dinners were a highlight. Another was comedy night, reserved expressly for PCA members. There was also a lip-syncing party for those brave enough to volunteer. Think: “karaoke night meets costume party.” It was hilarious! During the day, there were seminars - optional but always well attended. Topics such as car market values, selling, buying, and detailing your Porsche, from experts such as Nathan Merz, Tim McNair and Ramsey Potts. Kudos to Vu Nguyen, Executive Director of PCA, who was the organizational force behind the entire trip. Great job, Vu!

The ship was not sold out, and despite the fact that there was a total of more than 2000 passengers on board, disembarkation, tours and even meals never felt “crowded.” Porsche Club members were given the red-carpet treatment from start to finish.

I’m not being paid for a sales pitch, and unfortunately, do not get a free cruise for the endorsement, BUT, the cost of the cruise was a downright bargain. And they plan to do it again in 2023. Same time of year, and although some of us would love to see it move to the West Coast, if you have the opportunity to go on the 2<sup>nd</sup> Annual ZoneFest at Sea, no matter where the destination, JUST DO IT!

Kurt Fuerstenau has extended an invitation to PCA-SAR members to join his other club, the Oregon Region, at their special event – The Northwest Passage Tour!

**June 22 - June 26**  
**October 5 - October 9**

The ORPCA Northwest Passage Team has put together another great driving tour, and is offering it again twice in 2023, with fun roads, beautiful scenery, great accommodations, delicious food, and an opportunity to renew old friendships and make new ones. From majestic rivers, deep canyons, rolling hills, mountain roads to vineyards, the 2023 Northwest Passage route takes us again through some of the most scenic and best driving roads in the Northwest. The 2023 tour will visit the Columbia River Gorge, the canyons of the Columbia Plateau, the rolling hills of the Palouse, the Snake River Canyon, the majestic Wallowa’s and some wineries of Walla Walla.

# 2023 Tucson Classic Car Show

**Porsche Club Members - Please Join us at the Tucson Classics Car Show with Your Porsche**

**On October 21<sup>st</sup>, 2023, Gregory School**

On October 21<sup>st</sup>, 2023, at the Gregory School on Craycroft Road, the 17<sup>th</sup> Annual Tucson Classics Car Show will take place. As a Porsche Club member and now chair of the car show, I surely wanted to feature Porsches in some manner. This year we will have a display of 13 Porsches at the show. Thirteen will be on special

display and the others in their assigned Class. To do so we need our members to let us know they are interested. The Club will provide tickets to the Classics tent which serves beverages, food and snacks all day!

Importantly, the proceeds from every car show go toward the support of local charities. This year the charities include Pima Community College Foundation's Workplace Program partnered with the Center of Opportunity, Old Pueblo Community Services, and Big Brothers Big Sisters. These charities focus on the homeless, mental health and education. Over the history of this show more than 2.4 Million dollars has been donated. Each car at the show helps support these charities.

We would like earlier models as you will see when you register, but if you have a very special model, we may be able to have it featured.

**So please let Jim or me know if you would like to participate.**

**Then go to [TucsonClassicsCarShow.com](http://TucsonClassicsCarShow.com) and register. You will see a line that says Club, if you wish to DISPLAY YOUR CAR, write in Porsche DISPLAY. If you are not displaying skip Club, please select CLASS U or V (not Porsche Club).**

Please let Jim Kendler or me know your interest as we will do this on a first come first served basis.

I'm sorry to have missed welcoming **Megan Steinbrecher** when I welcomed her husband Tim in the recap last month.

If you are having issues updating your National PCA profile, just send me an email and I will help you get it resolved. Many times, it's an easy fix that the national staff can do. I include your request when I ask them to adjust anything for you.

I use the PCA national database to send out notices for the club. You can update your profile. Here is how: Log into PCA, look under your profile and check your email. If it is no longer correct, change it & don't forget to save. If your listed e-mail is correct and you are NOT receiving our updates and information emails, then check your opt out options. If you opt out of regional emails, you won't get our emails. Here's how to check: Log into PCA and select Manage my Communications. That will be under the yellow bar of "edit my profile", the third option. Once in there uncheck Regional Communications (PCA- SAR).

I would like to remind you that the only login on our website is the newsletter login which we mail out each month. There is **NO** members-only login for individuals. Your National PCA login will not work on the pcasar.org website.

If you should need help, e-mail me at [membership@pcasar.org](mailto:membership@pcasar.org). I will try to assist you in accomplishing your membership needs.

I hope to see you in the near future. In the meantime, please stay safe and healthy.

Porsche Stuff For Sale or Wanted

## For Sale:

Need an extra set of wheels for winter tires, track tires, or just would like another set? I have a set of 4 *Victor Equipment* 20" wheels: two 20" x 8.5" (1800 lb/815 kg) and two 20" x 11" (1500 lb/680 kg). All four wheels are in good physical condition with some minor chips but no damage or scuffing of the rims. I believe they were previously used on a Porsche 997/911. I am asking \$250 for the entire set. Need to clear out some space in the garage. Call me at 520-730-3367 for more info or to arrange a time to see/purchase (?). Thanks, Jerry Fouts
