President's Corner

By Pat Norris

Coming events this month are a tour to Ajo (sold out very fast!), a monthly dinner, a Fly & Lunch event, a breakfast, German Cars & Coffee, an invite to run with the AZ Region folks at Podium Club, and a tour to Fairbank, AZ. What's left? The last weekend you can clean your Porsche for Cinco!

As I begin writing this column, my chosen Cinco Concours d'Elegance entry car has one more day of DE time, two race weekends, and a trip to Colorado to be subjected to before I clean it up to get ready for Cinco! It is impressive how much has been pulled together to plan

Cinco and all the hard work of so many club members. And if you don't feel like being judged, the Display classes are a great way to participate, and park on the lawn.

Join us at any of these events and you will find a very sociable, welcoming group. The past PCA slogan, 'It's not just the cars, it's the people' could easily have been about our SAR membership. There are great people organizing and attending these events. Again, if you didn't find something that interests you, let us know what event you would like to see.

Always feel free to reach out to our club officers, event chairs, and board members at large - you'll find them at all these events. We are here to help make your club more enjoyable for everyone.

Will Pat get it clean for the Concours? Be sure to come to the Tucson Country Club on May 6th to find out!

Editor's Column

By Debi Norris

Cinco is only a month away!

Ok, I will admit it. Not only am I very excited about Cinco returning, I am also very nervous. Although I have planned many PCA events over the years, this is, by far, the biggest one where I am the one of the ones in charge! Aack! How did I get myself into this???? You're retired now, they said. You'll have plenty of time...

Now it's only a month away!

But I have such an incredible team helping me, the event is sure to be a success. 4 days of fun from a Golf Tournament to a Welcome Party to a Concours d'Elegance to a Banquet to a Farewell Tour – how could we not have fun? Be sure to check out motorsportreg.com to get more information. You can sign up for one event, or all 5. Or, just come out to Tucson Country Club on Saturday, May 6th, and see all the beautiful cars. If you have been thinking about coming out to a club event, this is THE ONE. I hope to see all of you in May.

Meanwhile, enjoy the beautiful spring weather and all the wildflowers blooming along the roadsides. This is a great time of year to get out and drive!

CINCO DE MAYO 60 YEARS OF THE 911 1963-2023

Cinco Returns!

By Debi Norris - Cinco Co-Chair

We all remember the spring of 2020. As the Pandemic took hold, events around the world were canceled – from major sporting events to concerts and shows to even our own beloved Cinco Concours d'Elegance. But here we are in 2023, ready to bring Cinco back!

Dave Shryock and I, along with a committee of volunteers, have been working to put together Cinco '23. We hope you enjoy this premier event for our region. For those of you who would like a refresher or are new to the club and don't know what Cinco is, here is a run-down of the weekend's events.

It all starts on Thursday, May 4th, with a Golf Tournament at Forty-Niners Golf Club. Please see Norma Nada's following article for more details.

On Friday May 5th, Porsche Tucson has invited the club to their facility for the Welcome Party. Porsche Tucson will be providing a delicious array of food along with beer and wine as we kick-off a fun weekend. The dealer will also be showing off their new Restoration Challenge vehicle – a 1977 911 Targa that fits well with our theme - 60 Years of the 911. Thank you to Porsche Tucson for sponsoring this event.

Saturday morning, May 6th, breaks bright and early at 6:30 as we will start placing cars on the lawn of the beautiful Tucson Country Club for our Concours d'Elegance. Judging will start at 8:30. Even if you are not entering a car, be sure to come by to see the impressive display of pristine Porsches! Lunch will be available for purchase for \$20 and includes a sandwich or wrap, chips, and a drink plus tax and tip. We will also be collecting donations for the Food Bank so bring along some non-perishable food items.

Things will finish up by mid-afternoon, in time for everyone to get ready the evening banquet. The Tucson Country Club will again be the setting for a lovely meal, good conversations, and the presentation of awards. Who will get the Best of Show trophy this year?

Continued on next page

On Sunday May 7th, things will wrap up with a Farewell Tour to Superior, Arizona. Kurt Fuerstenau will lead a tour that will help send our out-of-town friends on their way home and will end with lunch at the great BBQ place, Silver King Smokehouse and Saloon. A fantastic way to end a terrific weekend!

Speaking of out-of-town guests, we have a special block of rooms reserved at the Tucson Sheraton. Since we live more than an hour away from the Tucson Country Club, Pat and I have decided to stay at the hotel to avoid driving back and forth several times. If you would like to book a room, please follow this link: <https://www.marriott.com/events/start.mi?id=1673628425734&key=GRP>

So, are you ready to join the fun? Remember, unless you are just coming to see the Concours, all events require you to pre-register. It's not too late to sign up. Be sure to visit <https://www.motorsportreg.com/events/pca-sar-cinco-de-mayo-zone-8-concours-weekend-tucson-country-club-983138> for the main events as well as <https://www.motorsportreg.com/events/pca-sar-cinco-de-mayo-golf-event-forty-niner-country-club-southern-arizona-919966> for the golf tournament. If you sign up by April 15th, you will get free event t-shirt!

The Cinco Committee is looking forward to having you all join us for the return of our Cinco de Mayo weekend. Salud!

Cinco 2023 Golf Tournament

By Norma Nada - Cinco Golf Tournament Co-Chair

If you enjoy playing a round of golf, come join SAR's golfers at this year's SAR Cinco festivities. Registration is now OPEN for the golf tournament. Please register at [motorsportreg.com](https://pcasar.motorsportreg.com/events/pca-sar-cinco-de-mayo-golf-event-forty-niner-country-club-southern-arizona-919966), here's the link: <https://pcasar.motorsportreg.com/events/pca-sar-cinco-de-mayo-golf-event-forty-niner-country-club-southern-arizona-919966> Note: The golf tournament is a separate sign-up event from the Concours weekend sign-up on [motorsportreg.com](https://www.motorsportreg.com).

This year's Cinco golf tournament will be held at the Forty Niners Country Club in southeast Tucson with a reverse shotgun starting about 9 am. Having the golf tournament on Thursday helps those attending the Welcome Party on Friday evening -- no need to rush home to clean up before the party. This course once hosted the PGA tour's Tucson Open in 1963 and 1964 and is said to be a fair test of golf for players of all caliber with its winding fairways and majestic mountain views that can surprise golfers at every turn.

As with our past tournaments we're doing an optional member-guest, thus inviting friends to join us in this fun day of golf. If you're bringing a guest (or two), register your guest(s) on [motorsportreg.com](https://www.motorsportreg.com) when you register yourself for this great fun-filled event. We will be playing a modified scramble. After the round, join your fellow Porsche golfers and guests at the Rincon Mountain Grill for drinks, lunch, snacks, etc. as well as prizes. Everyone will get to play the entire course, so bring that "A" game and come have some fun. Register on [motorsportreg.com](https://www.motorsportreg.com). Cost for the round which includes green fees, cart, range balls and prizes is \$55.00 per golfer. Your starting hole will be advised on the day of play. Please provide your handicap (and your guest's handicap) so that we can group the teams accordingly.

Any questions, please contact Greg Curtiss or Norma Nada at 520-797-7612 or email Norma at sloporsche@aol.com. Keep it in the short grass.

Tour to St. Anthony's Monastery

By Kathleen Kendler - Photos by Jim Kendler and Pat Norris

The day was perfect for a drive when a group of about 30 SAR members met at Beyond Bread on Oracle. After our safety briefing, we headed out to St. Anthony's Greek Orthodox Monastery. The Monastery was established in 1995 when the land was purchased between Phoenix and Tucson. It is equidistant from both cities. If you are

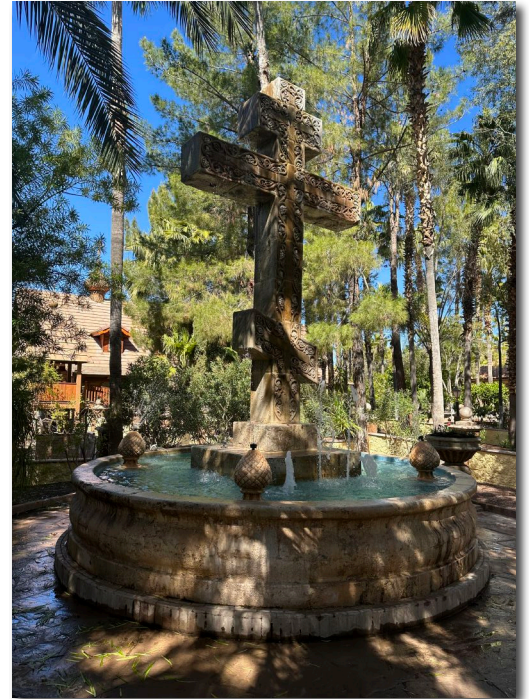

heading to it from Tucson, it's about 10 miles before Florence off of Route 79.

Once we were parked, everyone had to comply with strict dress requirements.

Men: long pants, long sleeve shirt, socks and shoes. Caps/hats must be removed in chapels.

Women: Long sleeve shirts, long skirt or dress, scarf to wrap around and cover hair, and tied under chin. Shoes and socks. Pants or shorts can be worn under skirt.

It was harder for the women to meet the criteria. No skin could be exposed except face and hands. Some skirts and shirts were deemed "too" snug and shoes had to have very low heels. Don't fret, there were clothing items to loan to us. I could tell this wasn't their first rodeo. I was very happy this wasn't an unusually warm day. We had so many clothes covering us, I am convinced I would have roasted to death if we went later in the year. Kurt picked the perfect time and mother nature gave us good, pleasant weather.

After everyone was properly attired, we assembled for a short discussion with monk Nicholas. He gave us some history and answered questions. We then were set loose to explore the monastery, minding the Keep Out signs and staying out of the working fields. If I do this again, I think two hours is a good time block to allot oneself to take in all the history and architecture.

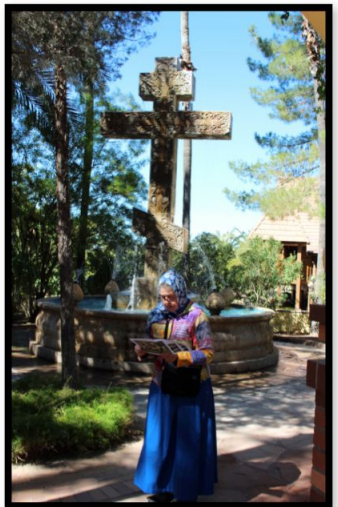

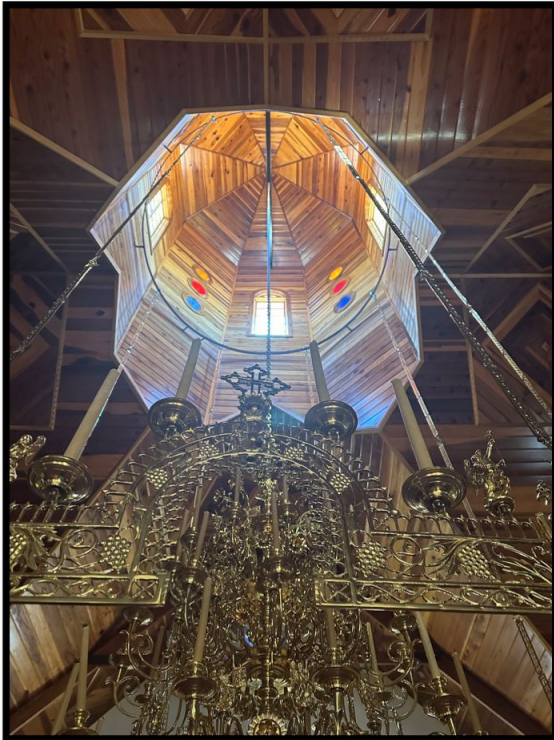

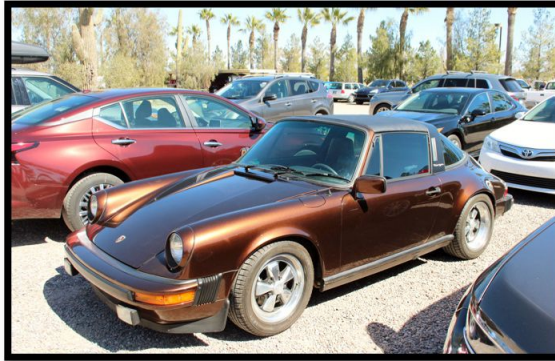

The grounds and buildings are beautiful. We had a great day which was capped with a Greek lunch in Florence at Mt. Athos.

Visiting hours: 10:30 AM to 2:30 PM every day.

Spring Adopt-a-Roadway Community Service Event

By Lon Reeder - Community Service Chair

For our club's first Adopt-a-Roadway event of 2023, Saturday March 18 was a warm and sunny day. This was a welcome change from the recent and rare snowy weather. It was also a good day to socialize with club members, get a bit of exercise, and meet our semiannual commitment to keep Orange Grove Road looking good. You probably have seen our sign on the south side of the road between Oracle Road and 1st Avenue, our stretch of the roadway.

A hearty group of volunteers met at 7:30 AM at the Ina & Oracle branch of Beyond Bread to snack on a quick pastry and cup of coffee and sign the obligatory waivers before setting out. Fully fortified, we drove down to Orange Grove Road and, after a refresher on the safety rules, we armed ourselves for our attack on the roadside trash with garbage bags, Hi-Vis vests, gloves, grabbers, and water.

We found enough debris to fill four large garbage bags: plastic shards of once shiny but now shattered car parts; several tiny plastic alcohol bottles (vodka was popular this time); fast-food paper packaging; several plastic water bottles; and part of a chair. I'm always interested in two aspects of the cleanup: 1) Did anyone find any money? and 2) What was the most unusual item found? This always leads to some fun discussion. Strangely, I was the only one who found any money and it was a single sad penny. So Jim Kendler still holds the record for his haul of a \$10 bill stuck in a bush a few years ago. And instead of some fun discussion, the unusual item prize this time caused some concerned hesitation. It was an unknown object hidden under a burlap tarp anchored at its corners with four large rocks. We couldn't resist a few pokes at it with our grabbers, but caution won out over curiosity this time. We left the mystery to be solved by the Pima County crew that picks up our collected trash.

I give a big thanks to the fabulous volunteers who joined me on this outing. During the cleanup it's great to hear the grateful honks from drivers and shouts of "Thank you" from passing cyclists and joggers who are appreciative of the work we do - proof that this community service activity is appreciated by the residents as well as the county.

Stay healthy and I look forward to seeing you at our next Adopt-a-Roadway event in the Fall!

Tour to Fairbank

April 22

Wait a minute? What?

OK, I know our tours are excellent, but do we really want to drive all the way to Alaska?
Oh... Not THAT Fairbanks. Fairbank (no s), Arizona!

We will travel to the Ghost Town of Fairbank located on the banks of the San Pedro River, with time to explore the town site, as well as the cemetery. If interested, and if time allows, we can also visit the San Pedro House, across the highway. After exploring, we will return to Sonoita for lunch at the Copper Brothel Brewery.

Please contact the tour leader, Kurt Fuerstenau for questions.

You must register to receive departure location and time of departure. Register at: <https://www.motorsportreg.com/events/sar-driving-tour-to-fairbanks-ghost-town-pca-southern-arizona-493049>

Don't Just Attend Porsche Parade... ...Be a Part of It!

The objective of a PCA Rally is to follow a course from point to point, usually on public roads, to the precise detail specified in the rules - it can be competitive or for fun. Competitive Time Speed Distance (TSD) Rallies dictate a certain time schedule for the checkpoints along the way. Points are deducted by arriving at the checkpoint either early or late. Gimmick Rallies, also competitive rallies, may include a Gimmick (Poker Rally, regional interest). Part of the challenge with a Gimmick Rally is to discover the intended route, which may require other skills such as solving a puzzle. PCA Parade TSD Rallies use the Richta app for scoring and no expensive rally equipment is necessary ... all you need is a mobile phone. New to Rallying? Parade is a great time to give it a try!

Redline Service was host for an informative Tech Session on Saturday, March 11th. PCA-SAR would like to thank Chuck Croteau at Redline Service for hosting such an interesting learning experience!

Come Join Us for Breakfast

Our monthly breakfast get-togethers are becoming quite popular! **The location has changed again!** Come on out to Blue Willow at 2616 N. Campbell on **Saturday, April 8th**, at 8:00a.m. There's a reason "It's not just the cars, it's the people" has been a PCA slogan for years – it's true! Our Club Breakfasts are the perfect way to get to know some great Porsche People. Hope to see you there!

Editor's Note: Below is an introduction to Dylan Young, a salesperson at Porsche Tucson who is interested in reaching out to club members to expand our Club/Dealer relationship.

I was born and raised in a small Tennessee town called Smithville. In that town, there was a slightly beat-up Lapiz Blue Metallic 986 Boxster that would sit across the street from my middle school/high school lunchroom. To me, it was the most beautiful/expensive car in my town - although some would argue. Somehow, with my "redneck" education, I received an academic scholarship to attend ASU. I moved to Tempe by myself in 2014 to study biological sciences.

During college, I made an effort to surround myself with exotics and sportscars of all sorts that solidified my passion for cars and Porsches in particular. While working at Bass Pro Shops in 2018 as a cashier and in customer service, I got a job at the Fairmont Scottsdale Princess as a valet/bellman. I worked there for 3½ years in which I would frequent the North Scottsdale Porsche in efforts of getting my foot in the door but never got my shot. I worked as a valet at a nice resort in the hopes of familiarizing myself with more exotic cars and positioning myself to meet someone that could see my passion for cars and get me out of the hospitality industry. I ended up getting promoted to the Hotel Valley Ho in Old Town Scottsdale where I would meet a gentleman that helped design/build our Porsche Tucson store. He came to the hotel driving a new Panamera GTS and could see the passion I had for the brand just by chatting him up about his beautiful car. He got me in touch with the GM weeks later and they took a chance on me with no sales experience, just excitement and passion for the brand.

I am extremely thankful and fortunate to have the opportunity to represent such a reputable company and brand. I strive to exceed expectations and customer satisfaction, I look forward to getting acquainted with many in the PCA group.

Our Dealer Liason, John Herold, recently asked for information about upcoming Porsche availability at the dealer. Here is what he received:

I hope that you are very well! We are open to share what stock cars we have available for order such as Macans, Cayennes, and Taycans. We do not have anything for Panameras currently. As for the 718 and 911, it will be best to contact me or Jonathan directly for availability. Thank you again for taking the time to share this with our valued PCA members.

The following are incoming/changeable cars to order at MSRP for locals (Pima County/Tucson area) in addition to purchasing ceramic window tint \$995 and Pre-Scheduled Maintenance Plan Plus 1 (2yr/20K prepaid service, first year free (1yr/10K) *Price of PSMP is subjective depending on model type* The order of the freeze dates coincide with the order of the estimated arrivals.
